Tulislah CV Anda
semenarik mungkin
dan
sebenar-benarnya

Yang harus diperhatikan saat menulis CV...

Berisi gambaran mengenai kualifikasi dan pengalaman yang berhubungan dengan pekerjaan yang dilamar.

- Ditulis secara ringkas dan mudah dibaca.

- Harus bisa menjual.

Bagaimana Membuatnya?

1. Make It a Summary

Pikirkan dalam 1 page.

Ada kalimat permintaan siap diwawancara.

2. Keep It Simple and Understandable

Jangan berlebihan (lebay) dan Sederhana (tidak over desain)

3. Leave Some Details Out

Fokus kepada posisi lamaran atau misi pembuatan CV.

Lepaskan (jika diperlukan) beberapa item yang kurang penting seperti : status, usia, nama nenek, no kendaraan dst.

4. Make It Perfect

Jangan salah tulis (tidak ceroboh).

Cek kepada rekan/orang lain.

5. Use a Grid/Tabel

Prinsip Keteraturan menunjukkan anda mengerti prinsip dasar-dasar desain.

Tampilan lebih bersih dan terorganisir

6. Make It Printable

Pastikan siap cetak!. Sesuaikan kertas standar. Hindarkan banyak warna atau tekstur berat sehingga tetap apik dicetak non-color. Gunakan PDF dengan font include dengan resolusi 300dpi.

7. Link to Your Online Projects

Berikan link-link record/project yang jelas online bukan link mati.

8. Don't Use a Template

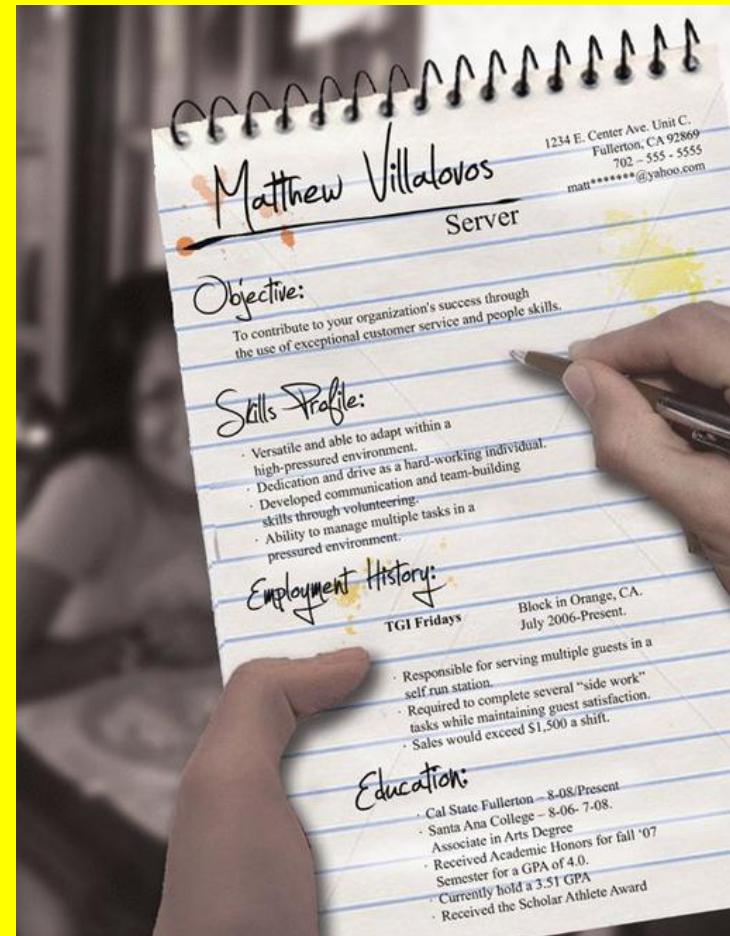

Nggak asyik banget. Ternyata templatanya sama dengan yang lain. Template membatasi kreativitas. Gunakan prinsip ATM.

9. Update it often

Jangan sampai isinya ketinggalan alias jadul

10. Show Your Personality

Tunjukan bahwa anda mempunyai kepribadian menarik dari desain yang dibuat. Misal : designer, IT banget, cinta budaya, go green atau rasa humor.

education/skills:

- experienced graphic-designer
- bachelor in kid's psychology & russian language
- beginner, but sooo talented web-designer

I like: to learn some new; to create unusual decisions and answers; people with good sense oh humor ;)

I'm a freelance web-designer & photomanipulator. I'm from Ukraine (where I've been working 6+ years in a printing/design company) & now I live in Georgia (Alpharetta) & I want to find a job because I have an irresistible desire to develop & progress my skills without any stops & because I LOVE design. & so I'm looking for a part-time or freelance job to apply my skills & talent and I can be a benefit for any company. money make sense too!

p.s. I have a green card, usa driver's license & 2 kids :)

my hobby:

- photography (to shoot some new photos and bring back to life the old ones)
- learning 3D programs (my newest hobby)
- scrapbooking
- yoga
- drawind (hand- & digital painting)

favorite soft:
Photoshop - forever!,
AI, Corel, Xara 3D,
Page Maker + some extra (additional) programs that I need for my work
+ I'm always eager to learn some new ones

want to see what I can do?
so, this is web-design - bananas-web.deviantart.com

here are my works as free-lancer - anna-banana76.deviantart.com

& here are my works in printing company - anna-banana.io.com.ua/album11714

P.S. if you want to see ordinary, boring, but -maybe more- informative version of my resume, please, request the Doc file :)

Hello! My name is Sayda Muckenhirn. I have a desire for playing with colours and during my studies in Communication Design I have developed a special affection for typography and layout. By applying them into a clean design and a clear concept, I help people to connect and communicate effectively.

I specialised in web design, illustration and 3D animation. In addition, I also enjoy branding and graphic design, which I have dealt with as a freelancer.

Due to my multicultural background I have spent time in a number of countries and am fluent in Spanish, German, English and French.
